

VOLUSIA COUNTY GUN & HUNT CLUB ACTIVE RSO PROGRAM

1. RSO's averaging at least *24 hours within the first and third quarters, and at least *28 hours within the second and fourth quarters, as described below, receive monetary credits applied toward their accounts. Unless exempted by the Director or his designee, non compliance results in not receiving monetary credits; non compliance with two quarterly periods annually results in being removed from the Active RSO Program.

1st Quarter = January, February, March

2nd Quarter = April, May, June

3rd Quarter = July, August, September

4th Quarter = October, November, December

Except for competitive events additional privileges include free use for **four related, or two unrelated, non member guests when accompanied by the RSO and ***after hours daylight range access when authorized by Matt Northcutt. Occasionally the Director or his designee may grant an exemption via Email for unaccompanied adult family members to use the range; they must have the Email in their possession to do so

2. Our published hours of operation are ***9am-5pm, Tuesday - Sunday, consisting of one eight hour shift, or two four hour shifts, 9am-1pm and 1pm-5pm. On Wednesdays, Saturdays, and Sundays, RSO shifts will have a 1.5 multiplier applied; e.g. four hours equals six hours.

3. Two RSO's will receive credit for the AM & PM shifts on Tuesday, Thursday, Friday, Saturday, and Sunday. **Both shifts must have one person signed on before you may sign on as the second RSO.** At the Directors or his designees discretion, either Three or Four RSO's will receive credit for the AM & PM Wednesday shifts. **Both shifts must have at least two persons signed on before you may sign on as the third RSO and both shifts must have at least three persons signed on before you may sign on as the Fourth RSO.**

4. As RSO's we are tasked with the responsibility of providing our members with a safe, secure, and fun place for the whole family to enjoy the shooting sports; with this in mind solo RSO's are asked to not practice shooting while on duty. With multiple RSO's on duty we trust to your discretion to practice shooting while maintaining proper vigilance of the range.

5. **RSO's are required to monitor the Schedule for ongoing updates, fill in where needed, and be intimately familiar with the RSO Program and current Range Rules and Operational Procedures.**

6. In order to serve as a VCGHC RSO you are required to maintain a valid NRA RSO Rating and submit a copy thereof upon renewal.

***Hours may be "front loaded" and carried forward within a calendar year**

****Even when closed everyone is required to sign in and all non member guests must sign a waiver.**

*****We are not allowed any pre 9am shooting activities whatsoever. Pre approval is required for after 5pm shooting by texting Matt Northcutt at 352-572-6924 with the word "SHOOT" and he will reply with a "YES" or "NO". If Matt does not respond within 30 minutes you may text his "Backup", Cody, at 352-789-3415. Only text on the afternoon of the day you want to shoot, they will not respond to requests in advance as sometimes their hunts pop up in the morning.**
